

# MISSOURI STATE REHABILITATION COUNCIL

## 2018 | ANNUAL REPORT

EXECUTIVE SUMMARY

# LETTER FROM THE CHAIR

On behalf of the members of the Missouri State Rehabilitation Council, I am proud to present this summary of the Council's annual report for Program Year 2017. Each Council member has unique experiences in advocating for the rights of our fellow Missourians whose physical or mental disabilities may pose barriers to productive employment. Through our quarterly meetings and committee deliberations, we have given our support to Missouri Vocational Rehabilitation to empower individuals with disabilities and to encourage decisions that lead to greater self-sufficiency. It has been my great privilege to work with members of the Council as well as with Missouri Vocational Rehabilitation staff, all of whom are dedicated to providing our citizens with the opportunity to make choices in obtaining meaningful employment.

Sincerely,

Tim Tadlock, Chairperson

## COUNCIL'S PURPOSE

The State Rehabilitation Council (SRC) was first authorized by the Rehabilitation Act of 1973 as amended in 1998. The SRC is responsible for reviewing, analyzing and advising Missouri Vocational Rehabilitation (VR) regarding its performance on such issues as eligibility; the extent, scope and effectiveness of services; and any other functions affecting people with disabilities.

During Program Year 2017, the SRC was actively involved with VR in the activities below:

Provided recommendations to VR on policy revisions and rule changes

Attended and participated in VR public hearings to provide input on the combined state plan

Evaluated and provided recommendations on the effectiveness of vocational rehabilitation services and satisfaction with those services

Assisted VR staff in preparing the SRC's annual report for the governor and the commissioner of the Rehabilitation Services Administration on the status of vocational rehabilitation services in Missouri

Reviewed and provided recommendations to VR regarding the combined state plan's comprehensive statewide needs assessment, goals, priorities, performance accountability measures and comprehensive system of personnel development
